

**2015 Report of Loreto Old Girls Reunion held on Saturday 3 October 2015 at Loreto Convent School  
Nana Sita Road (previously Skinner Street) Pretoria**

Mass was said at 13:00 in the School Chapel. Sister Emer did the Word of Welcome, Sister Marian did the Bidding Prayers, Shaun Willmer (Hillcrest 1973) did the Reading, and other Hillcrest 1973 LOGS did the Offertory Procession. Father Jonathan Shand of the Cathedral celebrated Mass and Ursula (Sinovich) Jadrijevich (Skinner 1966) played the piano for hymn singing during Mass.

The Mass was followed by celebrations in the School Hall. Margaret (Wickham) Collins (Skinner 1951) reported that Sister Emer was delighted with the happy atmosphere in the Hall. She mentioned that as she moved around among the LOGS they chatted amiably and animatedly with her.

Felicity Mullan (Hillcrest 1954) (Mistress of Ceremonies) requested Margaret to hand over the gifts to each of the celebratory LOGS as given below.

Shannon (Kuhn) Abdo (Skinner 1969) accepted the gift on behalf of her sister, Meredith, who was delayed on her way back from the coast.

Congratulations to one and all. Welcome back, Nina! Good to see you! And big surprise – Sister Marian, a Golden Girl from Ireland! Bravo!

Thanks ever so much Hillcrest 1973 LOGS for joining us at the Mass after your pre-arranged get-together.

Thankfully, John, the husband of Shane (Macdonald) Cameron (Hillcrest 1954), has recovered from his serious illness. Please pray for John and Shane.

The LOGS wish to thank the Principal of Loreto Convent School (Nana Sita Str), Mr Shillinglaw, for the use of the facilities at the school. Much appreciated.

The LOGS extend their special thanks to all who helped with arrangements and preparations for the 2015 LOG Reunion, both Old Girls and Staff.

Our thanks to the LOGS who came to the 2015 LOG Reunion. Many LOGS sent apologies for being unable to attend, notably Beatrice (Richardson) Eksteen (Skinner 1946) who sent warmest greetings to all LOGS at the Reunion.

See you at the next LOG Reunion in 2016, on Saturday 1 October 2016. D.V.
