Learning and Leading in Love and Justice

Volume 23 Issue 03

25 March 2021

Dear Parents,

“Because of the empty tomb, we have peace. Because of His resurrection, we can have peace during even the most troubling of times because we know He is in control of all that happens in the world.” Paul Chappell

A word of gratitude to the many parents who have been very supportive during this challenging time we have to all endure. It is extremely important, now more so than ever that the school and parent community work together in partnership to keep the school community safe.

The principal's office is open for communication, should any parent feel the need to address an issue. Every avenue possible will be followed to try to resolve possible issues. As far as financial constraints are concerned, it is important that all parents make sure that payments are paid up to date, to ensure that the school can offer the service which is paid for without any challenges. THANK YOU to the large number of parents who have paid in advance and those making huge sacrifices to afford their child/children quality education.

As we enter this Easter Season, it is important that parents make sure that all learners are kept safe and that you are aware of your child/children's whereabouts. This is also a time which could be spent on re-enforcing work which had been challenging during the first term. After this break, hard work is ahead during the Winter months of the school calendar.

We would like to extend our condolences to Mrs de Mendonca, whose sister passed away today. This is the third family member that she has lost in a very short space of time (one of whom was also her mother) and our hearts are truly broken for you and with you. We pray that our Lord will comfort you and your family and that He will give you the strength that you need to carry this incredibly heavy burden. Please know that your Loreto family is carrying you in prayer and that you are not alone in your grief.

PRIMARY SCHOOL

💡 We would like to wish our Loreto parents, learners and staff and a **blessed and safe Easter**.

💡 **Physical Education classes** will continue next term, and learners must please wear their sports clothes on these days. All learners must please continue to bring a towel and skipping rope to school for these lessons. During the winter months, the learners may wear their tracksuits to school on the activity day.

💡 **Drop-Off and Pick-Up:**

The gates in **Visagie Street** open for vehicles at **7h00**. If you drop your child before 7h00, they may walk through and line up to be screened. There are staff members already present from 6h30, and the children are supervised.

Please ensure that your child is **ready to exit** the vehicle as soon as you stop. If the children take too long to gather their belongings, it causes severe traffic congestion in Visagie Street and in the driveway. Thank you to all our parents for taking others into consideration!

The **Foundation Phase** (Crèche to Grade 3) finishes school at **13h10**, and the **Senior Primary** (Grade 4 to 7) finishes school at **13h30**.

The Visagie Street gates will open in the afternoon at **13h10**; please **DO NOT** come too early (before 13h10) as this creates problems with the traffic build-up in the street.

Parents with siblings in the school are reminded to please only come to fetch the children when the **oldest sibling finishes** school as there is no safe place to park and wait for the children in the school grounds. High School learners finish school at **14h00**.

 A reminder to **day care parents** of the service being offered by the tuck shop to prepare lunch for the learners. Please contact the tuckshop directly, Orlando, at 083 265 4768 with orders and payment.

 Please make sure that your child has all the **necessary items of uniform**. A reminder that the sports skirt may only be worn by Grade 4 to 7 girls. The Foundation Phase girls must please wear their blue sports shorts as part of their sports uniform. Please contact Mr Danny Venter on 083 658 9859 at the uniform shop to make an appointment should you need to purchase any items.

 **Winter uniform must be worn as from 3 May**. Tracksuits may be worn in winter on Phys-Ed days.

 Unfortunately, due to **COVID-19 regulations**, learners may not bring cake or party packs to school for their classmates on their birthday. Children, may, however, wear their home clothes on their birthday.

 Our first **Outreach programme** for the year has started. Our **Blanket Drive** has started. We are asking our very generous parents to donate a blanket that will be distributed to organisations that serve the needy in the community around the school. The blanket must please be a new one, although we do not expect our parents to buy very expensive blankets, only what you can afford. There will be an area where the children can leave the blankets when they are dropped off in the morning. Please take note that this is a voluntary donation and parents are by no means forced to make a contribution. The last day for bringing a blanket is Friday 16 April.

 A reminder that Loreto Convent School's **terms and holidays** now differ quite significantly from those of public schools. The first term comes to an end on **Friday 26 March** and school reopens on **Tuesday 13 April**. Reports for the first term will be issued after our return in April.

 **Extra lessons** will start in the Primary School on Monday 19 April.

💡 **Foundation Phase teachers** will be taking the children who need **extra assistance** after school, and will communicate directly with the affected parents.

💡 **Senior Primary girls** will receive a letter in the first week of school if they are required to attend extra lessons. These lessons will take place between 13h30 and 14h00 on days specified for the different subjects.

💡 **Gordon Harris Photography** will be coming to the school on **Tuesday 20 April** to take individual photos only. **No sibling photos or class/group photos will be taken.** All the children will sit for a photo and order forms will be sent home thereafter and parents can then decide whether or not to order the package. The package will cost R120 and will include a "class photo" which has been created from all the individual photos.

💡 The **Grade 6 and 7 girls** will be attending a **Mass** in the school hall on **Tuesday, 20 April**, at 7h45.

💡 It is with great sadness that we are **saying good bye** to one of our Senior Primary teachers at the end of this term. **Mrs Rochelle Fourie** is relocating to Stellenbosch in the Western Cape. Mrs Fourie started as a relief teacher at Loreto, and was appointed as a full-time teacher in July 2014. She has proved her versatility by teaching and specialising in a number of subjects over the years, including NS/Tech to Grade 5 and 6, RE, Phys-Ed to all the Primary School children, and more recently Maths in Grade 5 and Technology in Grade 7. Mrs Fourie has contributed many other talents and skills to Loreto, such as co-ordinating the dance routines for our last concert in 2015. She is an energetic and vibrant teacher whose enthusiasm and dynamic personality will be sorely missed. Mrs Fourie, on behalf of the whole Loreto family, particularly the Primary School staff and learners, we wish you and your family all the best in Stellenbosch. We hope that you will be very happy and wish you success in all your future endeavours. Thank you for everything that you have brought to Loreto, and the legacy that you will leave behind. May God bless you and your loved ones and keep you safe.

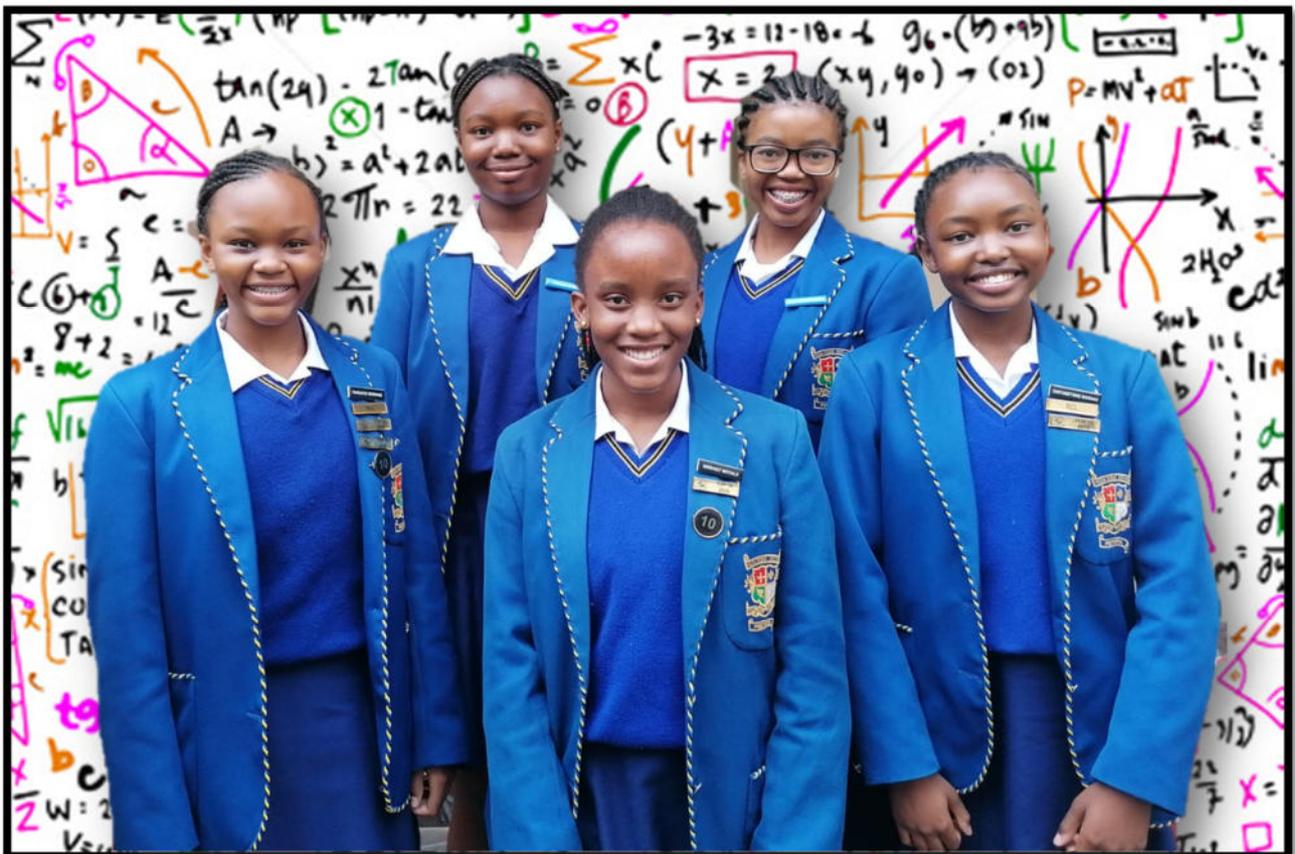

HIGH SCHOOL

💡 As from 19 April, learners who achieved below 40% for any subject, will have **compulsory lessons** from one of our senior tutors guided by the help of the teacher during **one break** (once a week) in the **school hall**. Because we cannot take the term 2 results into account, (we are still waiting for the department of education for weightings) we will start with the results of the 2020 promotion marks. Learners, who must attend, will be informed in the first week of Term Two by Ms Alves.

💡 Congratulations to the five learners below who have gone through to round two of the Mathematics Olympiad. We wish you every success in the next round.

Tawana Dube (Gr 8S) Goitumetswe Mashao (Gr 9M) Bridget Motale (Gr 9N)
Tshegofatso Manell (Gr 8S) Thakgatso Moropane (Gr 9N)

- 💡 π - Day was celebrated on 14 March, with the **Maths teachers enthusiastically motivating** learners to come up with creative ways of explaining the concept. Well done to all who took part in this initiative.
- 💡 This last week of Term 1 we have seen our High School competing in their **houses** with creative **sporting events** where learners could have fun. Thank you to our Sport Committee for their efforts in bringing about the spirit of joy. How wonderful that in the midst of these turbulent times, our ladies are still making time for some fun!
- 💡 Term 2 will also see the start of any **catch-up classes after school from 14h00 – 15h00**. Parents will be informed (in advance) of the different classes and the dates for these classes.
- 💡 **Term 1 report cards** will be emailed as soon as possible in April. We are still waiting for the updated curriculum set-up by the department on their database system. Until this has been done, unfortunately no administration regarding marks can be done.
- 💡 Due to curriculum adjustments, we can confirm that the **promotion weightings** for Gr 10 and 11 will be: 60% year mark, 40% November exam.

HOLIDAYS

FINANCE MATTERS

Firstly, we need to **thank** those parents who have faithfully been paying their school fees. In order for the School to stay operational, parents HAVE to pay their school fees on time. Loreto Convent School is not a State or no-fee paying school, and as such, we need to rely on the payment of school fees as the majority stream of income that must finance all expenses throughout the year.

Statements have been sent out to parents. If you are not receiving our bulk mails, please do let us know.

Please note that school fees are payable **UPFRONT**, by the **7th of every month**. This means that all fees, up to and including January/February 2021 fees are already due and payable in full. Overdue accounts will be followed up and handed over to our debt collection company for recovery. Please note that you will be liable for any **interest** on the account and collection and/or legal **fees**, should the account be handed over. **Overdue accounts will be charged an interest rate of 2% per month, as per our contract.** We are going to be very strict regarding the payment of fees in 2021.

We have a large number of payments that have been made into the school's bank account that do not have any references, or incorrect references. If you have made one of these payments, please do send your proof of payment to Mrs Swart at finance@loreto.co.za so that she can allocate it.

We would also like to appeal to parents to **PLEASE** reference their payments correctly, as it is almost impossible to allocate correctly, or understand what is being paid for when the references are missing or incorrect. Examples of such references are "School Fees", "Loreto Fees" or "Cash Payment" – it does not indicate who is making the payment or what is being paid.

Reference payments as following please:

Esther was awarded a prize for her
design.

Amazing!

LISANDA KUTSHWA

(Grade 10)

scored the highest marks in the recent Maths Olympiad in the Grade 10 to 12 group of Loreto learners that took part. Although she did not progress to the next round we are still VERY proud of her for doing so well amongst her peers.

WELL DONE!
